of hand injuries

HAND SAFETY TOOL

SLIDING FAST-ACTION FRICTION-LOCK MECHANISM SECURES TOOL TO GRATING

MULTIPLE TIP OPTIONS TO ACCOMMODATE VARIOUS GRATING SIZES

CUSTOMIZATION AVAILABLE UPON REQUEST

ENABLES SOLO OR TEAM LIFTING AND CARRYING UP TO 50 LBS. PER TOOL

The GrateIt® No-Touch Hand Safety Tool helps users avoid injuries when lifting, carrying, or moving grating. It also improves ergonomics by reducing the need for users to bend and overreach. Serving as an extension of the user's body, the tool locks onto the grating for secure and controlled maneuvering.
